

# Declaration of Cleaning and Decontamination of Equipment for Service and Maintenance

Dear valued customer,

In order to ensure the health and safety of our employees and to ensure we are following the current legislation on the matter, the following declaration must be filled and signed before **Service-Tekniker.dk** can start any work on the equipment to be serviced.

**Please note that for legal reasons, we are prohibited from servicing equipment that has been used in BSL3 or BSL4 outside of the designated area. Please contact us for more information.**

Thank you in advance for your cooperation in ensuring safe working conditions.
